

Quality and Value in electrical and building services..

COMPANY QUALITY POLICY

The Directors and Senior Management of GEBC Limited are committed to ensuring the Company Objectives are met, and providing our Clients with the satisfaction of achieving and exceeding their requirements and expectations.

This will be achieved by adopting a progressively improving Company Quality Management System.

The Quality Management System will also serve to strengthen Company results, advance employees ability and satisfaction, and provide an open approach to overall improvement.

The company of GEBC Ltd will always take any reasonable measures to ensure the quality of its workmanship and products used.

All employees and sub-contractors have a moral duty not only to work in a safe manner but also to co-operate in efforts to create the highest standards of workmanship. Any sub-standard equipment or environment should be reported without delay to head office.

All GEBC Ltd's managers and employees are responsible for maintaining the highest standards of quality throughout the operations of GEBC Ltd.

This quality policy is subject to change and update as Government Legislation alters, and GEBC Ltd. increases construction operations.

All employees are updated on Quality issues through courses, seminars and in house training on regular a basis.
